Waldoboro, ME 04572

Re: Conservation Closure(s)/Opening(s)

Dear Ms. Dondlinger:

This is to acknowledge the following conservation closure/opening request(s). **New requests are in BOLD.**

Effective	End	Shellfish Area	Status
10/01/2016	12/31/2016	Deaver's (North Side)- That area on the north side of Deaver Rd (inside) bounded by the following line: Beginning at the orange painted post on the northeastern most point of land on Jones Neck and running northerly to the southernmost end of Locust Island, then following the eastern shore of Locust Island to the northeastern end, then running southeasterly to the north end of the unnamed island just east of Locust Island, then running southeasterly to an orange painted post on the mainland.	Closed
08/01/2016	04/01/2017	Tom's Shore- Upper Medomak locally known as Tom's Shore; southeast of a line beginning at a red painted post located at the eastern most point of Meetinghouse Cove located approximately 95 yards northeast from the end of Geele Lane running northeast to a red painted post on the southwestern most point of land known as Hoffse Point; AND west of a line beginning at a red painted post beginning on the southwestern most point of land known as Hoffse Point running southeast to a red painted post on the northern tip of Woltz Point.	Closed

This office approves of the Town of Waldoboro's conservation measures. We appreciate your efforts to keep us informed on your conservation activities. If I can be of further assistance, please don't hesitate to contact me.

Sincerely,

Denis-Marc Nault  
Shellfish Program Supervisor
